SERVICES & ETHICAL NOTICE

The information and processes taught during the course are real work. I teach you everything I know, but I can't implement it for you. As it is in life, how far you go is up to you and your ability to implement what I teach you.

CONFIDENTIALITY

All information about the Therapist-Coach / Client relationship will remain strictly confidential, except in exceptional circumstances, such as the intention to seriously harm another person, thoughts of suicide, child abuse, or when the law so decides. If you want me to speak to someone outside of our interactions, I must receive permission by email. Otherwise, all other information is kept confidential.

CANCELLATION POLICY

The written agreement, such as by email or other means, to participate in "Conscious Healing Conscious Living" is binding. By accepting my invitation to participate, you will be required to pay for the selected payment plan and no refunds will be given.

TERMINATION

After contracting my services, there are no refunds and you must complete the agreed contracting term. Exceptions can be made on a case-by-case basis for early termination, however, you will still be charged the full amount of the course.
